### Parish and CAFOD.

#### **New Year's Resolution – Volunteer in the Parish**

Our parish needs you. A vital aspect of a church is people willingness to bring their talents, experience and energy to our various ministries and activities. Could your New Year's resolution be getting involved in our parish life? This can be very fulfilling and help build our community. We have lots of different ways you can get involved such as Sacristan, Eucharistic Minister, Children Liturgy, Reader, Bidding Prayer etc

**Also, you could support CAFOD by giving some time:**

- **In our parish, you will be highlighting CAFOD's work** to support communities globally who are living with injustices and in poverty.
- **In our local schools** – where you'll deliver assemblies and workshops about CAFOD's work. No experience is necessary. Full support, resources and regular training provided.

If you'd like to know more about volunteering for CAFOD, please get in touch with Celeste or Sarah at [southwark@cafod.org.uk](mailto:southwark@cafod.org.uk) or tel: 07825 734 390 / 07775 704546

## WORSHIPPING WITHIN COVID RESTRICTIONS

### **Covid-19 Omicron variant - Guidance for Churches**

Concerning the current situation with the omicron variant it is important to ensure the following points are followed in our churches:

- That people displaying any symptoms of covid-19 should stay at home and not travel to church or participate in person.
- That hand sanitiser is available to those attending the Church.
- That there is a strong recommendation for people to wear a face-covering (both nose and mouth) during the act of worship.
- That there is good ventilation and air throughput in the building; in this case, because of climatic conditions, it would be important to remind people to wrap up well in church!
- That a positive message encouraging people to get vaccinated and have the booster jab, when able, is delivered whenever possible.
- That people who are engaged in a form of pastoral ministry which involves ministry to the housebound, sick, and vulnerable, should take regular lateral flow tests to ensure they are safe to do so. These are free from the NHS.

We have been informed that there is now very strong evidence to support that the main mode of transmission is through breath and nasal aerosols and that the risk from surface and touch transmission is very small indeed. As such, the strict regimes of church cleaning that were recommended at the beginning of the opening of churches for public worship are no longer necessary. General church cleaning is sufficient. If these guidance points are supported, then the churches will continue to be safe places for people to gather for acts of public worship, including over the Christmas period.

Due to COVID, Altar Servers are not able to share Albs. Please contact the Parish Office to arrange the collection of an Alb for your child's sole use while they are Altar Servers. The Alb should be thoroughly washed (and ironed) before they are used.

#### **FACE MASK**

In accordance with the Prime Minister's 31<sup>st</sup> July 2020 announcement, all Parishioners are requested to wear a face mask when entering the Church and while in the Church.

#### **HAND SANITISER**

To control the spread of COVID, please sanitise your hands before entering and leaving the Church and avoid touching surfaces while in the Church. Hand sanitisers are available at the Church premises.
