SPUC (A recent BBC poll revealed that 15% of British women have experienced pressure or coercion to have an abortion that they did not want.)

This is a shocking reality that the pro-abortion narrative seeks to suppress - but we can no longer allow this to happen. It is vital to understand the reasons why women have abortions - including the horrific phenomenon of abortion coercion that SPUC is now highlighting - so that we can campaign for protections for vulnerable women and their children.

This year, SPUC is hosting **three national conferences in cities across the United Kingdom** - in London,

London mSaturday22 October 2022, Location: Broadway House, Tothill Street, London, SW1H 9NQ. Cost £35/£25 concessions
